It tells the story of a youth under a curse. The youth only can have one wish. He wished to be a musical star, which wasn't so bad, if only there weren't any people around. He wished to be able to fly. A little squirrel ran up to the boy and left a magic mouse with a note. Suddenly he found himself in a rain forest, but there were no other squirrels. A huge green mouse with glowing eyes appeared and laughed at him. Suddenly he was back on the road. He went to the city of Niinamiga and entered a shop and bought a magic keyboard. Then the big mouse came and asked if he wanted to become a musical star like in the stories, but he had no feeling of music. The mouse went away and suddenly it started to rain again. Finally, I started to write my story and I began to find the musical style. The creator of the game Composed It. They are solely my works, I didn't use any copyrighted music. If there is a mistake please feel free to tell me. I hope you enjoy it. *NOTE:* I deleted the click track so my song is not tempo-synced! I tried to expand the song in order to fit into your play lists. I also experimented with use of longer sounds! I was so excited when I finally heard the song! Yours Niinamigota {HOW TO PLAY:} - KEYBOARD 1- Song 1 - Song 2 2- Song 3 - Song 4 There are only 4 Songs. Starting with Song 1, when you press a key the sound effects will play. You need to use your keyboard to hear the sounds. When the music comes, you must press the right key to complete your mission. When you are finished with this mission, you will go to Song 2. Do not go to Song 2 unless you have finished the mission of Song 1. This is also true for Songs 3 and 4. When you start Song 2, you must press all keys to go to the next song and it will start. Because there are 4 Songs, I didn't wanted to have any messages! Help!"We are committed to making sure that everyone has access to quality, affordable, life-saving medical care," said Secretary of Health and Human Services Kathleen Sebelius at a press conference today. "That's what our plan is
